ONE
NINE
ELMS
LONDON

BY WANDA

www.onenineelms.co.uk

Wanda One UK and our contractors are committed to working with the local community and making a positive contribution to the local area. Our award winning contractors, McGee, have been continuing their excellent work on site and have engaged extensively with the local residents and the community.

Tate Library Fun Palace Exchanging Places

Taking place on Saturday 1st October McGee's One Nine Elms site team and the Met Police Cycle Task Force provided an Exchanging Places event as part of the Lambeth Libraries Fun Palaces weekend. Over 20 people stepped inside the cab to see the view from the lorry driver's perspective; they got to locate the vehicle's blind spots so that they can recognise and avoid them and gained extra insights and valuable tips intended to keep everyone safe.

Tate Carnival

On 27th August the One Nine Elms site team supported the Tate Library's "Tate Carnival" by supplying a professional stilt walker (dressed as a giant rabbit) for this local free event for the whole family.

Green Apple Award

One Nine Elms has won a Green Apple Award for Environmental Best Practice. The awards are set to take place on 11th November at Westminster Palace where a bronze, silver or gold award will be revealed.

Defibrillator donation to St Stephen's Children's Centre

The cardiac charity, SADS UK Big Shock Campaign, urges all schools to put defibrillators in place to save lives. After hearing about the work of the charity, McGee pledged to support a second school this year – the St Stephen's C of E Primary School and Children's Centre – which is just a stone's throw from One Nine Elms. The school is keen to accept McGee's generous donation of an Automated External Defibrillator (AED) as they understand the importance of this potentially lifesaving equipment. "We hope the school never has to use it but teachers, parents and pupils have the reassurance knowing that it is available if, and, when it is needed." Delivery of the device and training is currently being organised.

McGee support Wear it Pink for Breast Cancer Awareness Day

This October, staff at McGee have been getting their pink hi vis on and once again taking part in the UK's biggest, brightest and pinkest fundraiser, wear it pink. The event was held in homes, schools and workplaces across the UK on Friday 21st October with fundraisers raising money for Breast Cancer Now's lifesaving breast cancer research. McGee kicked things off in style by taking part in a video and photo shoot for the charity, and also launching their newly liveried 32 tonne pink tipper truck which has taken to the roads of London to promote the annual campaign. Working in collaboration with Breast Cancer Now, the truck features the wear it pink and Breast Cancer Now livery across its entire body. The One Nine Elms site team helped to raise over £600 through raffles and activities on site

Raising money for Joining Jack

In support of McGee's Charity of the Year, Joining Jack, the One Nine Elms site team has taken a proactive approach to fundraising and have significantly contributed to the preliminary fundraising total of £8,000 for the year. Joining Jack is fighting to find a cure for Duchenne Muscular Dystrophy. More information can be found at joiningjack.org

We're all **JoiningJack.** Are you?

Dallaglio Day due to take place

On 17th November, the site team is preparing to welcome a group of students to site from the Dallaglio Foundation's Rugby Works programme. McGee has previously worked with Dallaglio Foundation on similar initiatives and has prepared an action packed agenda for the day - the main objective to introduce the construction industry and possible career paths available.
